

Information on Returning to Worship at CMBC

CMBC has a committee working to bring our church family back together at 1700 E. 16th St, Austin, TX for worship as soon and as safely as possible. However, we will continue to use technology to share our services on YouTube (CMBCAustin TV). A

link to the service will be provided via Constant Contact for those choosing not to attend in person. Regardless of your choice, we hope that you will continue to participate in our services. In this effort of coming together, we will follow the guidance of the CDC (Centers for Disease Control) along with measures set forth by the City of Austin. Your spiritual and physical health are very important to us. This will mean that our worship services will look and feel different, and that is where we need your assistance.

Some of the measures that will be taken to ensure the safety of ALL entering the sanctuary for worship service include having nurses on hand screening EVERYONE before they enter the sanctuary. They will also be taking temperatures and asking important health questions. ALL will be asked to wear a face covering (mask, scarves etc.) at all times when in the sanctuary.

Additional details will be provided as we get closer to a determining a return date.

Thank you
